

COVID-19 PRESS CONFERENCE AND VIGIL
OUTSIDE SING SING CORRECTIONAL FACILITY

#NoMoreDeaths

On March 30, an incarcerated person died in isolation at Sing Sing Correctional Facility after exhibiting serious COVID-19 related symptoms. While we're waiting for the Department to confirm that COVID-19 contributed to this tragedy, we are furious and terrified knowing that it is just a matter of time before more incarcerated New Yorkers die in the wake of the pandemic. We are holding a press conference and vigil from our cars to mourn this needless suffering and death, and to call on Governor Cuomo to take action and grant #ClemencyNow.

FRIDAY, APRIL 3, 2020 | 12PM

**Outside Sing Sing Correctional Facility, in front of the prison grounds on
State Street, between South and Lafayette Streets**
